

Your NAME :

In this Table you will give a score to each of the other players (or teams) <b>during</b> the game, <b>every</b> time they play.	OTHER PLAYERS' NAME in this COLUMN	ROUNDS								TOTAL	AVERAGE
		1	2	3	4	5	6	7	8		
	Name1										
	Name2										
	Name3										
	Name4										
	Name5										
	Name6										
	Name7										
	Name8										
Name9											
Name10											

The FINAL AVERAGE for each PLAYER (or Team) is his/her TOTAL divided by the number of ROUNDS he/she played

In this table, you will add up the Scores you receive from the OTHER PLAYERS, <b>after</b> the game ends.									
Name1	Name2	Name3	Name4	Name5	Name6	Name7	Name8	Name9	Name10

Enter here the AVERAGE score you received from every OTHER player and add them up to get your FINAL SCORE
